INTRODUCTION

- The Ar-Rahman fund was launched in Ramadhan 2009, its first project to provide needy Muslims with food for the month of Ramadhan.
- Over 1.5m shillings was successfully raised.
- Funds helped sustain approx. 580 families across greater Nairobi and a community in Northern Kenya.
- Having witnessed the devastation in Northern Kenya during the food distribution, the Ar-Rahman team deliberated building wells in this region to provide water and is as a result launching a drive for the same in Muharram 2009.
